## NIBBLES . SMALL PLATES . SHARING PLATES . SIDES

Our restaurant offers a small plate tapas style, creating a modern Sri Lankan fusion using seasonal British ingredients. As a guide we suggest 3-4 plates to share between 2 people; however, it is entirely your choice, you can always order more later. Our dishes are cooked when your order arrives in the kitchen, this means individual dishes are cooked and served as soon as they're ready, rather than coming all together.

The curry and chilli powder which feature in nearly every single dish is a family recipe which is over 100 years old and is roasted and ground weekly.
